Directions

From the North: When coming from the north (through New York State), all roads eventually intersect with I-86 (formerly Route 17), which runs east-west through southern New York State. I-86 intersects with US Route 15 (future I-99) three miles west of Corning, NY, near the center of the state. Take US Route 15 South (Exit 44, toward Williamsport PA) and drive south approximately 20 miles. Take the exit for Route 287 (Tioga PA, No Exit Number) and turn left onto Route 287. Northeast Fireworks is on the right, approximately 500 yards straight ahead.

From the South: When coming from the south, all roads eventually intersect with I-80, which runs east-west through the middle of Pennsylvania. I-80 intersects with US Route 15 (future I-99) mid-way through the state, just south of Williamsport.

When traveling from the East on I-80, take the I-180 spur (Exit 212W) to Williamsport (about 25 miles).

When traveling from the West via I-80, take US Route 220 (Exit 178, toward Lock Haven) to Williamsport (about 25 miles).

From Williamsport take US Route 15 North (Future I-99, toward Mansfield) and go north about 60 miles. Take the exit for Route 287 (Tioga, PA, No Exit Number) and turn right, north on Route 287. Northeast Fireworks is on the right, approximately 500 yards straight ahead.
